Dogs can't chew it. Kids can't fall through it. Sun and snow won't hurt it!

Our aluminum spa covers are completely sealed, inside and out, so they won't absorb water. No more soggy vinyl covers.

Made from aluminum, these covers can withstand the harshest elements.

Keep loved ones safe! Spa cover will support weight and won't buckle in the middle.

Choose from our designer colors to customize your spa cover.

Be-Lite Aluminum Spa Covers

Our Deluxe Aluminum Spa Covers have been field proven for over 20 years and are still outlasting the competition. The cover is made from aluminum and foam. This cover is a full 2" thick for added insulating value and is protected by our limited warranty. The top and bottom surfaces are silver aluminum with a baked on enamel painted finish. The outer edge is anodized for longer lasting beauty.

Our Deluxe Aluminum Spa Covers are safety rated by Underwriters Laboratories and carry their UL Classified Mark. UL constantly monitors our production for quality and consistency of materials to ensure that you get the quality you expect. When you see the UL Mark you can be assured that our covers meet or exceed the ASTM Standard for a Safety Spa Cover, this gives peace of mind that the Deluxe Aluminum Spa Cover will protect your children and loved ones from the unattended spa.

Note: All ASTM approved spa covers will come from the manufacturer with two stickers on top of the cover and will require 2 tie downs to be installed.

Be-Lite Spa Covers are custom made to your measurements, but due to the fact that each one is hand made for you, we can only guarantee accuracy to within 1/2 inch. We always strive to get as close as possible but due to the nature of the manufacturing process there is some variance. Because of this fact it is imperative that your measurements are also within those same tolerances. Thank you for your understanding and we look forward to many years of valued business from you.
